Other special instructions:

Date product desired: _____ Order taken by: _____

Please Note: Turkeys are delivered "fresh-frozen" to the co-op. USDA standards allow that the turkeys are shipped frozen solid for 10 days. The turkeys are immediately stored at 40 degrees in a refrigeration unit upon delivery to RMC and remain in refrigeration until customer pickup. The turkeys do not thaw in the co-op's refrigeration therefore it is recommended that thawing time is taken into consideration for product pick up. Thank you. -RMC
